

HOW DO YOU FEEL ABOUT MARRIAGE?

Calling:

People in long-term intimate relationships (4+ years) who are NOT currently married—and, perhaps who wish not to marry AT ALL!

Please participate in the gathering of oral histories about **YOU!**

If you are **age 22 and over**, are in a long-term intimate relationship of **four or more years**, and are **not currently married** to your intimate relationship partner you may be eligible for this research. Your commitment is a one-time interview about your opinions and experiences around marriage. The interview will last around 2-4 hours.
